

GREAT STYLE WITH YOUR PERSONAL STYLIST

It is a well-known fact that the world's biggest stars have their personal stylists. Recently, this service is accessible to the guests of the Regent Esplanade hotel. A guest who wants to combine the ease of shopping with a top-class VIP treatment assisted by an expert who will take care of his/her overall dressing style can hire a personal stylist.

The hotel's personal stylist, Mrs. Alma Premerl Zoko, works as a fashion critic for many publications and is a personal stylist to many celebrities. With her sophisticated taste and a refined sense for detail, Mrs. Premerl Zoko will make the experience of shopping more pleasant. Visiting only the selected shops with the personal stylist will save you both time and money. The

Regent Esplanade hotel offers three packages for guests in need of a personal stylist.

Therefore, if you're keen on acquiring the Croatian-designed items, you will walk to the city center and explore the shops of the local designer stars and their interesting brand names such as Igle, Teo Perić, Hippy Garden, Budoar, Kety Balogh, Charlie, Mustre, Modna kuća Mak... In case you'd like to purchase an exclusive clothing item, you'll continue to Linea Exclusiva, In Mode or Spose where you'll be wrapped in light silk and cashmere...

However, if you've decided to stick to the favorite brands you've been buying in all of the world's major destinations, you will not be disappointed by the choice of brand name boutiques available in Zagreb. There's Hugo Boss, Escada, Vivian Westwood, Sonia Rikel, Max Mara, Ralph Lauren, Shop Victor, Bottega Veneta, Gucci, Armani, Chloe.... Shopping center Kaptol features stores such as Prevedello, Fedoors, Hemisphere, Herend... and the No. 1 trendy address with the most extensive offer in a single location is the Avenue Mall.

If you wish your shopping to be fun and educational and to find presents for your loved ones, the Regent's personal stylist will recommend a selection of Croatian souvenirs. We are referring primarily to the famous Paprenjak pastry, Croata ties – a fashion detail that made our country famous worldwide – and a couple of shops that present high-quality food products and hand-made souvenirs from the coastal and continental parts of Croatia, such as Terra Croatica and Bakina kuća in the very center of the city. The famous antique shop Agram is also worth visiting. Should you feel the desire to do so, visit the atelier of the famous ethno-designer Mina Petra to take a peek into the history of the ladies' fashion in Zagreb and see how the process of weaving looked like in the past.

In addition to the listed shopping options with your personal stylist, you can choose to elegantly cruise through the urban jungle in a luxurious white limousine where you'll be able to enjoy your selection of music, scented towels and champagne with tasty chocolate pralines.

And finally, after having experienced the sweet tortures of shopping, it is always nice to know you'll come back to your warm home. Your personal stylist will see you to the doorstep of the sophisticated Art Nouveau beauty – the Regent Esplanade hotel, where you can enjoy its luxurious rooms, put down your precious load and dream about the new, future shopping experiences in some other, (un)known locations ...
