

VIDogs SERVICE

In order to allow dogs to share the luxury enjoyed by their owners, the Regent Esplanade Zagreb Hotel, probably the only hotel in town to accept dogs, has created a special offer for them.

Since no dog owner wants to travel without his or her “best four-legged friend,” the Regent Esplanade Zagreb Hotel has decided to provide a special luxury offer for dogs.

Every guest who brings a dog can be completely confident that the hotel staff will take good care of his or her pet.

This loyal pet will enjoy all the charms of the Regent Esplanade Zagreb Hotel. Every dog will receive a VIP welcome

in the room. In addition to a specially designed dog bed with a comfortable pillow, there will be a letter of welcome with the dog's name, an irresistible bone for chewing and a bottle of the finest water to refresh the dog after a long and strenuous trip. In addition, the dog owner can have a member of the hotel staff take the dog on a short walk. On a dog's birthday, the hotel will give the animal a delicious treat and a gift.

If a dog's owner truly wants to spoil a pet and provide luxury for all the senses, the hotel offers an extensive “dogs’ menu” with room service. On this special menu, created in cooperation with a veterinary clinic, dogs are offered tasty beef with eggs and black rice, tender chicken with freshly cooked carrots and green peas, and various cooked vegetables to keep your pet healthy and in top condition. For those accustomed to commercial dog food, we offer the finest Pedigree Pal Meaty Bites and Pedigree Pal Canned Dog Food, which are designed to keep dogs' coats shiny and promote optimal health. So that the menu does not differ greatly from that intended for owners, dogs can also enjoy a special beer or special chocolates formulated particularly for them. In this luxury offer for dogs, the Regent Esplanade Hotel has also included the services of dog walking and dog sitting.

For carefree walks, a dog raincoat is available. For complete relaxation, a luxury Spa Set has been created, which includes a gentle shampoo and conditioner adapted to dog care with a special toothbrush and toothpaste for maintaining hygiene while staying at the hotel. If a dog needs a haircut or manicure, a list is provided that includes dog grooming salons, as well as veterinary pharmacies and clinics that offer medical massage and acupuncture. There is also an extensive selection of dog toys that an owner may purchase to provide recreation, play or a memento of a luxury visit to the Regent Esplanade Zagreb Hotel.

Overnight stays for dogs that include VIP treatment cost 45 EUR (to be paid in the kuna equivalent on the day of payment, value-added tax included). The luxury "Offer for Dogs" lists other services in kunas.
